

Deepest Blue (Lee Cabrera Remix)

Deepest Blue

The sun will always shine on you
You turn my ocean deepest blue
I'll never hide my thoughts from you
You're my deepest blue If mother nature ever chose a name
I'm sure that she would choose the same
I'll never hide my thoughts from you
You're my deepest blue Am I dreamin' now, walkin' on the moon
And I don't know how to reach you, baby
Every time I try to move closer Am I dreamin' now, walkin' on the moon
And I don't know how to reach you, baby
Every time I try to move closer We've only got this time to prove
That together we can make it through
I'll never hide my dreams from you
You're my deepest blue If temptation ever came my way
I know the words I'd always say
I'll never hide my love from you
You're my deepest blue Am I dreamin' now, walkin' on the moon
And I don't know how to reach you, baby
Every time I try to move closer Am I dreamin' now, walkin' on the moon
And I don't know how to reach you, baby
Every time I try to move closer
Every time I try to move closer Am I dreamin' now Am I dreamin' now, walkin' on the moon
And I don't know how to reach you, baby
Every time I try to move closer Am I dreamin' now, walkin' on the moon
And I don't know how to reach you, baby
Every time I try to move closer
Every time I try to move closer
