

# Unrespectable

## The Outfield

She no lady  
One bad girl  
She go crazy  
Private world I can hear the people talkin'  
From a million miles away  
I don't care what they've been thinkin'  
I don't care what they'll say She's so unrespectable  
Unrespectable She's so easy  
Got no class  
Good time baby  
Love don't last I wake up in the morning  
Don't believe the things I said  
I never walk the streets with you, girl  
I wouldn't kick you outta bed She's so unrespectable  
Unrespectable  
So unacceptable  
Unrespectable She still shake me  
Night and day Never learnt her lesson  
Still treating her the same  
Like any Mona Lisa  
She ain't never gonna change, no She's so unrespectable  
Unrespectable  
Unacceptable  
Unrespectable
