

Twisted

Christina Milian

Oh, oh, oh, oh, ooh, oh
So crazy, boy, so crazy, boy
I don't know if I done told you
But you got me going so crazy, boy It's the things that you do
When you doin' the things that you doin', doin'
Temperature's rising, you're so advertising
My votes they're out sizing Dammit this feeling
I can't help but feeling that this could be real
And it's so amazin'
My heartbeat is racin' When I see your face and
All I know is I, I'm in the zone
And I'm writing this song for you Boy, you got me all twisted, twisted up
Boy, listen up
You got me thinkin' I just might miss
Might miss the bus, boy, twisted up Boy, you've got me all twisted, twisted up
Boy, listen up
All I know is I, I'm in the zone
And I'm writing this song for you You and I, like touching fire, practically blazing
The whole place down, have it feel so good
Turn up the heat a little higher
Turn up the music little louder
I just cant get enough of you Oh boy, it's the things that you do
When you do what you doin'
Temperatures rising, you're so advertising
My votes they're out sizing Dammit this feeling
I can't help but feeling that this could be real
And it's so amazin'
My heartbeat is racin' When I see your face and
All I know is I, I'm in the zone
And I'm writing this song for you Boy, you got me all twisted, twisted up
Boy, listen up
You got me thinkin' I just might miss
Might miss the bus, boy, twisted up Boy, you've got me all twisted, twisted up
Boy, listen up
All I know is I, I'm in the zone
And I'm writing this song for you Everything about you I'm craving
Oh baby, I'm saving my love for you
When I see you I get so excited
My light just ignites when I'm here with you 'Cause my night turns to day

When I'm seein' your face
All my troubles just go awayIt's the things that you do
When you doin', yeah
Boy, you got me soBoy, you got me all twisted, twisted up
Boy, listen up
You got me thinkin' I just might miss
Might miss the bus, boy, twisted upBoy, you've got me all twisted, twisted up
Boy, listen up
All I know is I, I'm in the zone
And I'm writing this song for youBoy, you got me all twisted, twisted up
Boy, listen up
You got me thinkin' I just might miss
Might miss the bus, boy, twisted upBoy, you've got me all twisted, twisted up
Boy, listen up
All I know is I, I'm in the zone
And I'm writing this song for you
