

Lose My Soul

The Buffalo Skinners

Take my girl
Steal my car
Stolen away with my guitar
And oh no, and oh no don't you leave me in a hole
Cause I'd rather be lonesome and walking than to lose my soul

Knock me out
Spit in my face
You'd better leave me with my guitar case
And oh no...
Cause I'd rather be a deadman walking than to lose my soul

Take my wallet
Make it quick
Just leave in my pocket my finger picks
And oh no...
Cause I'd rather be a finger pocket than to lose my soul

Break of down now!

Verse 1 again
