Perfect

The Letter Black

You bring hope in my life
Where would I be
Without you right here beside me

You take all of my fears
And my doubting away
You take them away

I know you are
Always right here
By my side

I know you're beautiful
As a scarlet sunrise
So perfect to me
Whoa
You are so beautiful
I get lost in your eyes
I can't ever seem to get you out of my mind

You breathe love
In my life
You make me feel
So alive when I'm by your side

I have faith
You will be
Always right here
Showing me how you love me

I know you are
Always right here
By my side

I know you're beautiful
As a scarlet sunrise
So perfect to me
Whoa
You are so beautiful
I get lost in your eyes

I can't ever seem to get you
No I can't ever seem to get you out of my mind

I love how you make me feel.
You're bringing me back to life.
You've taken my hand,
And told me I'm yours.
Forever you'll be
Right there for me,
Never leaving me alone.

I know you're beautiful
As a scarlet sunrise
So perfect to me
Whoa
You are so beautiful
I get lost in your eyes
I can't ever seem to get you
I can't ever seem to get you out of my mind
