

Drinkin' Alone

Dudek Finnigan Krueger Band

I guess youâ€™re hopinâ€™ that I wouldnâ€™t survive at your hands
And just because of that Iâ€™m alive, but thatâ€™s all that I am
Donâ€™t wanna hear nobody tell me how itâ€™s time to be strong
â€™Bout no rights and no wrongs, Iâ€™ll do all my own carryinâ€™ on

Iâ€™m lost without you, so Iâ€™m sittinâ€™ here drinkinâ€™ alone
Order me somethinâ€™ strong
I found a place thatâ€™s full of folks Iâ€™ve never seen, never known
I hope somebody takes me home
Thereâ€™s nothinâ€™ sadder than a party when youâ€™re drinkinâ€™ alone
Alone

I figured whisky would be dullinâ€™ the pain
In the heart of my soul
So tell me why do I still feel the same, when I keep fallinâ€™ in love
Itâ€™s gettinâ€™ rowdy, words are gettinâ€™ cloudy, the stone
Ainâ€™t attached to my soul
You can count on me goinâ€™ down slow

I got my money on the table, gonna drink it alone
Lonely as I can be
Iâ€™m gonna tip it, gonna sip it, â€™til Iâ€™m strong to the bone
Ainâ€™t nobody here with me I canâ€™t forget you most especially, when Iâ€™m drinkinâ€™ alone
Alone

(solo section)

I was awakened when the clock struck midnight
Straight from my dream
Crystal mist was your smile as you kissed me
And our love light beamed
I was a checkinâ€™ on your heartbeat yeah
You were checkin' out mine
But the hearts were cold
And the dream was surely over

(1st chorus section)

I got my money on the bar, gonna drink it alone

Iâ€™ll be lonely as I can be, Iâ€™m gonna tip it, gonna sip it
â€˜Til Iâ€™m strong to the bone
Nobodyâ€™s here with me
I canâ€™t forget you most especially when Iâ€™m drinkinâ€™ alone
Iâ€™m lost without you so Iâ€™m sittinâ€™ here drinkinâ€™ alone
Order me somethinâ€™ strong
