Take Me Higher

Barak Zamar

It took a lot to turn away
Blood and water from one side
It took Your eyes to stare me down
It took the truth to set me free
To set me free
Looking for a place to hide
Waiting for the wind to rise
My soul is waiting
Looking for a place to hide
I need a little peace tonight
Take me higher than the sun
Yeah, You are the only one
Take me higher than the sun
Yeah, yeah
Around the ceiling of the heart
Is where we feel the things
That send us away
To where the blind can see the stars
So do you see the stars
Do you see the stars?
Looking for a place to hide
I need a little peace tonight

Take me higher than the sun
Yeah, You are the only one
Take me higher than the sun
Yeah, yeah
Take me higher than the sun
Yeah, You are the only one
And You are the only one
Take me higher than the sun, yeah
Take me higher than the sun
Take me higher than the sun
Yeah, You are the only one
You are the only one
You are the only one
Higher than the sun
Take me higher than the sun
You are the only one

Take me higher than the sun
You are the only one
You are the only one
You are the only one
You are the only one
