

Check Yes, Juliet

We the Kings

Check yes Juliet
Are you with me?
Rain is falling down on the sidewalk
I won't go until you come outside. Check yes Juliet
Kill the limbo
I'll keep tossing rocks at your window
There's no turning back for us tonight. Lace up your shoes
Eh oh eh oh
Here's how we do [Chorus]
Run, baby, run
Don't ever look back.
They'll tear us apart
If you give them the chance.
Don't sell your heart.
Don't say we're not meant to be.
Run, baby, run.
Forever we'll be
You and me. Check yes Juliet
I'll be waiting
Wishing, wanting
Yours for the taking.
Just sneak out
And don't tell a soul goodbye.
Check yes Juliet
Here's the countdown
Three, two, one, now fall in my arms
Now they can change the locks
Don't let them change your mind. Lace up your shoes
Eh oh eh oh
Here's how we do [Chorus] We're flying through the night
We're flying through the night
Way up high,
The view from here is getting better with
You by my side [Chorus x2] You and me
You and me
