Emotion In Motion

Ric Ocasek

I would do anything
T'hold on to you
That's just about anything
Until you pull throughI'd hold on to you
Til the stars no longer wink
I'd hold on to you
Til you figure out
Just what to think'Cause you're emotion in motion
My magical potion
You're emotion in motion to meI would go anywhere
To meet up with you
That's just about anywhere
For one rendezvousI'd hold on to you
Until the mountains crumble flat
I'd hold on to you
Until you figure out
Just where you're at'Cause you're emotion in motion
My magical potion
You're emotion in motion to me, yeahI would do anything
T'hold on to you
That's just about anything
That you want me toI'd hold on to you
Until you take it all in stride
I'd hold on to you
Ttil you want to stay here
By my side'Cause you're emotion in motion
My magical potion
You're emotion in motion to me
