Turn the Night Up

Daniel

Baby you it's you and me,
You see, we can turn the night up
And if you feel the way I feel
We can turn the night up

(gimme some of that)
(gimme some of that)
(gimme some of that)

Damn you look so sexy
Baby you impress me
I wanna get nasty
Girl you got the bom bom
Take a shot, you want one
Mama I can change your life

(gimme some of that)

The way you do it
You got that something
You got that something
So keep it moving, you know I love it
You know I love it

Baby you it's you and me,
You see, we can turn the night up
And if you feel the way I feel
We can turn the night up

(gimme some of that)
(gimme some of that)

Girl your body is effing
You know my intentions, I know you can go all night
I just wanna touch you, girl just let me touch
I know it's been on your mind

(gimme some of that)

The way you do it

You got that something
You got that something
So keep it moving, you know I love it
You know I love it

ONE LOVE

From Madrid, to Miami
From Miami, to the world

Baby you it's you and me,
You see, we can turn the night up
And if you feel the way I feel
We can turn the night up

Baby you it's you and me,
You see, we can turn the night up
And if you feel the way I feel
We can turn the night up

(gimme some of that)
(gimme some of that)
(gimme some of that)
