

Don't Go Near the Water

The Beach Boys

Don't go near the water
Don't you think it's sad
What's happened to the water
Our water's going bad Oceans, rivers, lakes and streams
Have all been touched by man
The poison floating out to sea
Now threatens life on land Don't go near the water
Ain't it sad
What's happened to the water
It's going bad Don't go near the water
Don't go near the water Toothpaste and soap will make our oceans a bubble bath
So let's avoid an ecological aftermath
Beginning with me
Beginning with you Don't go near the water
To do it any wrong
To be cool with the water
Is the message of this song Let's all help the water
Right away
Do what we can and ought to
Let's start today
