

# You Make Me Wanna...

Usher

This is what you do  
This is what you do  
This is what you do  
This is what you do You make me wanna leave the one I'm with to  
Start a new relationship with you, this is what you do  
Think about a ring and all the things that come along with  
You make me, you make me wanna Leave the one I'm with to  
Start a new relationship with you, this is what you do  
Think about a ring and all the things that come along with  
You make me, you make me Before anything came between us  
You were like my best friend  
The one I used to run an talk to when me and my  
Girl was having problems  
You used to say it would be okay  
Suggest little nice things I should do  
And when I come home at night and lay my head down  
All I seem to think about is you and how You make me wanna leave the one I'm with to  
Start a new relationship with you, this is what you do  
Think about a ring and all the things that come along with  
You make me, you make me wanna Leave the one I'm with to  
Start a new relationship with you, this is what you do  
Think about a ring and all the things that come along with  
You make me, you make me Now what's bad, is you're the one that hooked us up  
Knowing it should've been you  
What's sad is I love her but I'm falling for you  
What should I do, should I  
Tell my baby bye-bye  
Should I do exactly what I feel inside  
'Cause I, I don't wanna go, don't need to stay  
But I really need to get it together You make me wanna leave the one I'm with to  
Start a new relationship with you, this is what you do  
Think about a ring and all the things that come along with  
You make me, you make me wanna Leave the one I'm with to  
Start a new relationship with you, this is what you do  
Think about a ring and all the things that come along with  
You make me, you make me At this point the situation's out of control  
I never meant to hurt her but I gotta let her go  
And if she may not understand it why all of this is going on  
I tried, I tried to fight it but the feelings just to strong You make me wanna

You make me wanna  
You make me wanna  
You make me wanna You make me wanna  
You make me wanna  
You make me wanna  
Come along with  
You make me You make me wanna leave the one I'm with to  
Start a new relationship with you, this is what you do  
Think about a ring and all the things that come along with  
You make me, you make me wanna Leave the one I'm with to  
Start a new relationship with you, this is what you do  
Think about a ring and all the things that come along with  
You make me, you make me You make me wanna leave the one I'm with to  
Start a new relationship with you, this is what you do  
Think about a ring and all the things that come along with  
You make me, you make me wanna Leave the one I'm with to  
Start a new relationship with you, this is what you do
