

Cyanide Sweet Tooth Suicide

Shinedown

She's a still thrill of suicide they say
Cyanide in her plastic veins
She's a mannequin of misery
She's on a bender
But she ain't gonna break

Hey, hey

Taste like sugar, but it's Novocaine
She's grinding teeth
So she can sharpen the pain
White lights, train wreck

[Chorus]

Black lips, pale eyes
Cyanide sweet tooth suicide
She's a killer
She is mine
Cyanide sweet tooth suicide

Strychnine
Cerebellum feeds the brain
Hurricane in a violent rage
They say
She's a looker just like Anna Nicole
Oh, no
Fuck the silver,
Let's go straight for the gold

Hey, hey

Digging deeper than a six foot hole
She's snorting cocaine through a suicide note
White light, train wreck

[Chorus]

White lights, train wreck

[Chorus: Repeat x2]
