Headed to the Store

Sunny Ledfurd

Cocaine
Ya know I don't do it but i like the way it smells on women
And by mornin'
There ain't a woman in the world that ain't done her share of sinnin'
If you're headed to the store Ima talkin' to you
Get me some zig zags, dickel and a mountain dew
Yup

No way
I ain't believin' a word that they're sayin cause they're all bull shittin'
And good mornin'
If you're headed to work go and get it cause I just done did it
But if you're headed to the store Ima talkin' to you
Get me some zig zags, dickel and a mountain dew
Yup

I'm at a loss for words
You better kick me off the mic or else I'm gonna sing it
And what the hell am I worth?
I ain't worth nothin' til I step on the stage and bring it
If you're headed to the store Ima talkin' to you
Get me some zig zags, dickel and a mountain dew
Yup
