Year 3000

Jonas Brothers

One day when I came home at lunch time
I heard a funny noise
Went out to the backyard to find out
If it was one of those rowdy boys
Stood there with my neighbor called Peter
And a flux capacitor
He told me he built a time machine
Like one in a film I've seen yeah
He said[Chorus]
I've been to the year 3000
Not much has changed, but they lived underwater
And your great-great-great-granddaughter
Is doing fine
Doing fineHe took me to the future in the flux thing
And I saw everything
Boy bands, and another one, and another one
And another one
And girls there with round hair like Star Wars
Float above the floorWe drove around in the time machine
Like one in a film I've seen yeah
He saidI've been to the year 3000
Not much has changed, but they lived underwater
And your great-great-great-granddaughter
Is doing fine
Doing fineI took a trip to the year 3000
This song had gone multi-platinum
Everybody bought our seventh album
It had outsold Kelly Clarkson
I took a trip to the year 3000
This song had gone multi-platinum
Everybody bought our seventh albumHe told me he built a time machine
Like one in a film I've seen yeahI've been to the year 3000
Not much has changed, but they lived underwater
And your great-great-great-granddaughter
Is doing fine
Doing fineI've been to the year 3000
Not much has changed, but they lived underwater
And your great-great-great-granddaughter
Is doing fine

Doing fineI've been to the year 3000
Not much has changed, but they lived underwater
And your great-great-great-granddaughter
Is doing fine
Doing fineI've been to the year 3000
Not much has changed, but they lived underwater
And your great-great-great-granddaughter
Is doing fine
Doing fine
