Really Really Happy

The Muffs

And I don't care what anyone thinks about me
I'm not afraid of what you say or do
it doesn't hurt me I'm telling youthat I'm completely over it and I don't care what you doI'm really really glad
and really really really happy
and I'm feeling good
I'm really really glad and really really really happy and I'm
feeling good I'm feeling free and nothing's bothering meand what I say is real and it's about time
I used to be so mad and crazy
almost all of the time I'm telling youThat I'm completely turned around and feeling like I shouldI'm really
really glad and really really really happy
and I'm feeling good
I'm really really glad and really really really happy and I'm
feeling good I'm feeling free and nothing's bothering mewhat I say or what I do it makes me wanting to
tell you everybody in a happy tune-yeah[solo]and I don't care what anyone thinks about me
I'm not afraid of what you say or do it doesn't hurt me I'm telling you
That I'm completely over it and I don't care what you doI'm really really glad and really really really happy and
I'm feeling good
