Say Goodbye

Mandisa

To the voice to the liar in the mirror*
Sayin you can't ever change
To the guilt that's sittin on your shoulder
Always keepin you locked in chains
To the past that you can't undo
To the pain that you're walkin through
To the small and the big mistakes
This is what love wants to say
Say goodbye
Say goodbye
To the one that used to be
Say goodbye
Say goodbye
Everyday is a brand new mercy
Hello
Hello
This is where it starts now
Hello
Hello
Everything can turn around
In a moment, here's your moment
You can say goodbye
There is grace that you can't imagine
There is love that you can't out run
There is peace that you can hold onto
When your world is comin undone
You don't have give into the fear
Don't have to have let your story stop here
And when the hand tries to pull you back
You don't have to back, you don't have to go back
Say goodbye
Say goodbye
To the one that used to be
Say goodbye
Say goodbye
Everyday is a brand new mercy
Hello
Hello
This is where it starts now

Hello
Hello
Everything can turn around
In a moment, here's your moment
You can say goodbye
To everything that breaks you down
It doesn't have to define you now
Jesus came to take it all away
Say goodbye
Say goodbye
To the one that used to be
Say goodbye
Say goodbye
Everyday is a brand new mercy
Hello
Hello
This is where it starts now
Hello
Hello
Everything can turn around
In a moment, here's your moment
You can say goodbye
Say goodbye
Say goodbye
You're not the one you used to be
Say goodbye
Say goodbye
Everyday is a brand new mercy
Hello
Hello
This is where it starts now
Hello
Hello
Everything can turn around
In a moment, here's the moment
Where you say goodbye
Say goodbye
Say goodbye
Say goodbye
Say goodbye
