

It Hurts Me, Too

Elmore James

You said you was hurtin, you almost lost your mind.

Now, the man you love, he hurt you all the time.

But, when things go wrong, oh, wrong with you,

It hurts me too. You'll love him more when you should love him less.

Why lick up behind him and take his mess?

But, when things go wrong, whoa, wrong with you,

It hurts me too. He love another woman, yes, I love you,

But, you love him and stick to him like glue.

When things go wrong, oh, wrong with you,

It hurts me too. Now, he better leave you or you better put him down.

No, I won't stand to see you pushed around.

But, when things go wrong, oh, wrong with you,

It hurts me too.
