Busted

RA

Killer Ra...(fades)

Do you think I?m a fool?
A footstool, a dead weight, let?s get one thing straight,
while you fornicate I show you respect,
I get wrecked and,
Catch your lies in my resurrect.

It?s so sad that you're tryin' to deny it...
If you won?t tell the truth then I?ll pry it!
(You had sex) You had sex and I wasn?t invited...
I?d like to know how this was decided.

Chorus:
It?s alright, it?s ok,
I don?t care if you cheat on me today,
I?m broken, disgusted,
I?d still love you if you weren?t so busted!,

So now you still call.
Stand to fall you carry on about how I meant nothing but you gotta get real,
How I feel for you is black,
Pull your knife outta my back.

Damn girl, you gonna cheat on me,
Feed on me,
And try to act sweet on me,
You?re so dumb,
I can see right through you,
You couldn?t pay me to do you.

I hope that when you?re fifty and your eyes ain?t so nifty,
You think back about what you done,
You think long and hard about playing me dirty, acting flirty, getting some,

I know you with another man now, well two can play that game,
Her name is Betty. We?ve been goin' steady,
And by the way, she hates you already.

Bridge:
What?s that?
Who you looking at?
Whatcha looking at?
Who you looking at now?
Who you looking at now?
Who you looking at now?
Who you looking at now?
Who you looking at now?
Who you looking at now?
