

# The Middle

## KIDZ BOP Kids

Hey  
Don't write yourself off yet  
It's only in your head you feel left out or looked down on  
Just try your best  
Try everything you can  
And don't you worry what they tell themselves when you're away [Chorus]  
It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right Hey  
You know they're all the same  
You know you're doing better on your own so don't buy in  
Live right now  
Just be yourself  
It doesn't matter if that's good enough for someone else It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right Hey  
Don't write yourself off yet  
It's only in your head you feel left out or looked down on  
Just do your best  
Do everything you can  
Don't you worry what their bitter hearts are going to say It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right
