Better Man (Live Acoustic Version)

Pearl Jam

Waitin', watchin' the clock, it's four o'clock, it's got to stop
Tell him, take no more, she practices her speech
As he opens the door, she rolls over
Pretends to sleep as he looks her overShe lies and says she's in love with him, can't find a better man
She dreams in colour, she dreams in red, can't find a better man
Can't find a better man
Can't find a better man
OhTalkin' to herself, there's no one else who needs to know
She tells herself, oh
Memories back when she was bold and strong
And waiting for the world to come along
Swears she knew it, now she swears he's goneShe lies and says she's in love with him, can't find a better man
She dreams in colour, she dreams in red, can't find a better man
She lies and says she still loves him, can't find a better man
She dreams in colour, she dreams in red, can't find a better man
Can't find a better man
Can't find a better man
YeahShe loved him, yeah, she don't want to leave this way
She feeds him, yeah, that's why she'll be back againCan't find a better man
Can't find a better man
Can't find a better man
Can't find a better man
