

# Better Man (Live Acoustic Version)

## Pearl Jam

Waitin', watchin' the clock, it's four o'clock, it's got to stop  
Tell him, take no more, she practices her speech  
As he opens the door, she rolls over  
Pretends to sleep as he looks her overShe lies and says she's in love with him, can't find a better man  
She dreams in colour, she dreams in red, can't find a better man  
Can't find a better man  
Can't find a better man  
OhTalkin' to herself, there's no one else who needs to know  
She tells herself, oh  
Memories back when she was bold and strong  
And waiting for the world to come along  
Swears she knew it, now she swears he's goneShe lies and says she's in love with him, can't find a better man  
She dreams in colour, she dreams in red, can't find a better man  
She lies and says she still loves him, can't find a better man  
She dreams in colour, she dreams in red, can't find a better man  
Can't find a better man  
Can't find a better man  
YeahShe loved him, yeah, she don't want to leave this way  
She feeds him, yeah, that's why she'll be back againCan't find a better man  
Can't find a better man  
Can't find a better man  
Can't find a better man
