

# Fall At Your Feet (Acoustic)

James Blunt

I'm really close tonight  
And I feel like I'm moving inside her  
Lying in the dark  
And the thing that I'm beginning to know of  
Let it go  
I'll be there when you call  
And whenever I fall at your feet  
Do let your tears rain down on me  
Whenever I touch your slow turning pain You're hiding from me now  
There's something in the way that you're talking  
Words don't sound right  
But I hear them all moving inside you  
Go now  
I'll be there when you call  
And whenever I fall at your feet  
Do let your tears rain down on me  
Whenever I touch your slow turning pain The finger of blame has turned upon itself  
And I'm more than willing to offer myself  
Do you want my presence or need my help  
Who knows where that might lead  
I fall The finger of blame has turned upon itself  
And I'm more than willing to offer myself  
Do you want my presence or need my help  
Who knows where that might lead  
I fall at your feet
