Brain Of J. (Album Version)

Pearl Jam

Who's got the brain of JFK?
What's it mean to us now?
Oh, it's sound insurance
But I can tell you, this is no lieThe whole world will be different soon
The whole world will be relievingYou, you've been taught
We'd been the same, now they got you in line
Stand behind the stripes
There will be order, so give it a good mindThe whole world will be different soon
The whole world will be relievingAnd by name
The name they gave me
The name I'm letting goThe whole world will be different soon
The whole world will be relieving
The whole world will be different soon, soon
