

I Got Loaded

The Wood Brothers

Last night,
I got loaded
On a bottle of wine
On a bottle of wine Last night,
I got loaded
On a bottle of wine
On a bottle of wine But I feel alright
I feel alright
I feel alright
I feel alright The night before last
I got loaded
On a bottle of gin
On a bottle of gin The night before last
I got loaded
On a bottle of gin
On a bottle of gin But I feel alright
I feel alright
I feel alright
I feel alright Tonight,
I might get loaded
On a bottle of whiskey
On a bottle of whiskey Tonight,
I might get loaded
On a bottle of whiskey
On a bottle of whiskey But I feel alright
I feel alright
I feel alright
I feel alright I feel alright
But I feel alright
I feel alright
