

He's Always Been Faithful

Advisory - the following lyrics contain explicit language:

Great is Thy faithfulness, Lord, unto me
Morning by morning I wake up to find
The power and comfort of Gods hand in mine
Season by season I watch Him, amazed
In awe of the mystery of His perfect ways
All I have need of, His hand will provide
Hes always been faithful to me
I cant remember a trial or a pain
He did not recycle to bring me gain
I cant remember one single regret
In serving God only, and trusting His hand
All I have need of, His hand will provide
Hes always been faithful to me
This is my anthem, this is my song
The theme of the stories Ive heard for so long
God has been faithful, He will be again
His loving compassion, it knows no end
All I have need of, His hand will provide
Hes always been faithful, Hes always been faithful
Hes always been faithful to me
