I'm so dizzy I'm so dizzy  
(Inspiration)  
I'm so dizzy  
Don't open your eyes, I don't mean that to sound bad, nothing  
Actually, I'm like you, I'm feeling this for the first time  
I felt it in my senses  
Oh yeah (Oh yeah)  
What number am I to you?  
You need to remember (break it)  
I get dizzy when I see you  
My head feels complicated  
When I hold you in my arms  
(Be quiet)  
I'm so dizzy (Yeah)  
I'm so dizzy (I'm so dizzy)  
I'm so dizzy  
(A lot of Inspiration is needed)  
When I open my eyes that were closed  
I keep facing this confusion  
It's been a while, my memories have faded  
Our roles are unclear  
But it doesn't matter who's first

The lead is on me anyway  
On me (inspiration)  
(Be quiet)  
I'm so dizzy  
I'm so dizzy (I'm so dizzy)  
I'm so dizzy  
(Inspiration) I'm so dizzy  
I get dizzy when I see you  
(Be quiet I'm so dizzy)  
My head feels complicated  
(I'm so dizzy)  
When I hold you in my arms  
(I'm so dizzy I'm so dizzy)  
I get dizzy when I see you  
(I'm so dizzy)  
My head feels complicated  
(I'm so dizzy)  
When I hold you in my arms  
Hoo (I'm so dizzy)  
I get dizzy when I see you  
(I'm so dizzy)  
My head feels complicated  
(I'm so dizzy)  
When I hold you in my arms  
Hoo (I'm so dizzy)
