# Taste Revenge

## Sanctuary

You take the first blow, I taste revenge
Let anger come my will is done
Malicious in my intentThe hate is rising, the swell of fear takes over
And oh, the taste is sweet my friend
So bitter sweetNo more anger, I've had my revenge
Beg for mercy, I'll take you down
No more hatred, I've had my revenge
Eye for an eye, taste my revenge, revengeCaught in a time warp, rage in the wind
The shock of surprise still in your eyes
As you met your violent endYour strength was failing, degrading you was power
My recourse is complete my friend
So bitter sweetNo more anger, I've had my revenge
Beg for mercy, I'll take you down
No more hatred, I've had my revenge
Eye for an eye, taste my revengeAs you implore on bended knee
Do you regret what you've done to me?
No matter how you plead, I'll take you downThe hate is rising, the swell of fear takes over
And oh, the taste is sweet me friend
So bitter sweetNo more anger, I've had my revenge
Beg for mercy, I'll take you down
No more hatred, I've had my revenge
Eye for an eye, taste my revengeAs you implore on bended knee
Do you regret what you've done to me?
No matter how you plead, I'll take you down
