No Future/no Past

Cloud Nothings

Give up
Come to
No hope
We're through
Give up
Come to
No hope
We're through
Give up
Come to
No hope
We're through
Give up
Come to
No hope
We're through
Give up
Come to
No hope

We're through
Give up
Come to
No hope
We're through
Give up
Come to
No hope
We're through
Give up
Come to
No hope
We're through
No future
No past
No future
No past
No future
No past
