

# Where Not To Look For Freedom

## The Belle Brigade

Oh where am I gonna find a free feeling  
Oh the one I've always wanted to know  
Where I am not afraid of revealing, oh no  
I'll show whatever I want whenever I want  
Well I've done an awful lot of concealing  
Yeah I've spent a lot of time just sitting at home  
Oh and is the only way to find a free feeling on the road  
Where you go wherever you want whenever you want  
When you live in the unknown it becomes your home  
And when you got nowhere left to go  
Then you're gonna know  
Where not to look for freedom  
When you're inside your prison  
And you're the only warden  
Tell me where to look for freedom  
Well I've been looking real hard for a teacher  
But they better not be looking for me  
'Cause I never found one in a preacher, oh Lord  
Anyone that says that they see the way I should be  
When everything you know  
You don't recognize at all  
Well then you got nowhere left to go  
Then you're gonna know  
Where not to look for freedom  
When you're inside your prison  
And you're the only warden  
Tell me where to look for freedom  
Oh I been getting heavy into my reading  
Oh I been listening to my favorite song  
Well I could never keep down a force-feeding too long  
Eat up whatever I want whenever I want  
Well you're gonna meet the wall  
When you think you've heard it all  
And then you got nowhere left to go  
Then you're gonna know  
Where not to look for freedom  
When you're inside your prison  
And you're the only warden  
Don't have to leave the country

You cannot find your wisdom  
In someone else's story  
But if you find your glory  
Tell me where to look for freedom  
Oh where am I gonna find a free feeling  
Tell me where to look for freedom  
Oh where am I gonna find a free feeling  
Tell me where to look for freedom  
Oh where am I gonna find a free feeling  
Tell me where to look for freedom
