It's Obdacious

Jonny Lang

Ooh, wee, baby, goodness gracious
The way I love you is contagious
Ooh, wee, baby, can't you see I'm in love with you?
So come on, baby, don't be stubborn
Just for you I got a little lovin'
Ooh, wee, baby, can't you see I'm in love with you?
Well, your kisses taste so sweet
They thrill me right off of my feet
I'd walk a mile just to see you smile
Thinking 'bout you nearly drives me wild
Come on, babe, don't be stubborn
Just for you I got a little lovin'

Ooh, wee, baby, can't you see I'm in love with you
Well, your kisses taste so sweet
They thrill me right off of my feet
I'd walk a mile just to see you smile
Thinking 'bout you nearly drives me wild
Come on, babe, don't be stubborn
Just for you I got a little lovin'
Ooh, wee, baby, can't you see I'm in love with you?
Yes, I'm so in love with you
Baby, I'm so in love with you
Ooh, wee, baby, can't you see I'm in love with you?
