I Believe (Riverside Remix)

ZOEgirl

I used to close my eyes and pray the time would pass me by
So I could fly away in my dreams to anywhere unreal
And I'd hide away from everythingI didn't know what was real, I didn't know the truth
There was a day when somebody introduced me to You
And You breathed Your life in me
You set me freeNow I'll shout it from a mountain
That I'm not the same that I used to be
I believe in God, believe in God
I'm not ashamed to talk about it
To a world that slowly slips away
That I believe in God, believe in GodNow at the end of the day when nothing seems to go my way
I've got a friend, I've got a life that's never gonna let me go
Since You gave Your life for me
You set me freeNow I'll shout it from a mountain
That I'm not the same that I used to be
I believe in God, believe in God
I'm not ashamed to talk about it
To a world that slowly slips away
That I believe in God, believe in GodOh, when I feel so alone
He comes to sweetly say
"It's all gonna be okay"
Oh, when my emotions flow
He comes to sweetly say
"It's all gonna be okay"Now I'll shout it from a mountain
Now I'll shout it from a mountainNow I'll shout it from a mountain
That I'm not the same that I used to be
I believe in God, believe in God
I'm not ashamed to talk about it
To a world that slowly slips away
That I believe in God, believe in GodNow I'll shout it from a mountain
That I'm not the same that I used to be
I believe in God, believe in God
I'm not ashamed to talk about it
To a world that slowly slips away
That I believe in God, believe in God
