What, what, what you want? Hey
My thing is a real fine thing
It's a thing, it's a real fine thing
It ain't broke, it don't need a fix
Thirty six, twenty two, thirty six
I got a gyroscope goin' round and round
Got a Thunderbird take me all over town
Got a transistor radio standin' on the mix
Thirty six, twenty two, thirty six
Thirty six, eighteen, thirty six
Where'd she go?
What you say?
What you say?
What you say?
(Thirty six, twenty two, thirty six)
What you say?
(Thirty six, twenty two, thirty six)
You want what?
(Thirty six, twenty two, thirty six)
What you say?
(Thirty six, twenty two, thirty six)
What you want?
