

Rough Edges

Sweet .N. Candy

(Kim Carnes/Dave Ellingson)We learn to hold it in
 Hide our hearts
 Don't let it show
 So scared
 We forget to sayh
 All the words when
We need them mostRough edges take time
 Understading
 Never losing our
 Rough edges take time
 Holding onto
And I still want youSometimes people change
 And sometimes I don't
 Know you
 It runs by
 We stumble through
 Round and round
Cause we know ourRough edges take time
 Understading
 Never losing our
 Rough edges take time
 Holding onto
And I still want youRough edges take time
 Understading
 Never losing our
 Rough edges take time
 Holding onto
 And I still want you
And I still want youWe learn to hold it in
 Hide our hearts
 Don't let it show
