

# Girls Talkin Bout

## Mindless Behavior

### VERSE 1

Aye shawty what's your name, what's your number

You heard about my age, well forget that number

I can put the thrill in your life

I can make your dreams come to life

I hear you talking and I know what you like

### BRIDGE

Swagga on a hundred thousand million and beyond

I see you talking to ya friends looking at me in the corner of ya eye,

You know I would rather be with you no one would matter

Cause I I hear you talking and girl I know what you like

### BRIDGE 2

I'll take off my shades show you my eyes

I see right through you girl I know you aint shy

Girl, but it's worth over time

See I got you talking I know y'all girls be talking
