

# Is There No Truth in Beauty

## Just Surrender

This is how it's been, this is how it will be  
And when you wake up with him, remember when it was me  
And I always will be waiting for you  
And I know that you will never see thatI can't break away from these chains to my heart  
The further you push me the closer you are  
Maybe I should try to let go  
Maybe I should try to walk away  
There's nothing left to say, yeah, yeahDo you remember when you used to laugh there with me  
And now I've become the joke, a punch line's all I will be  
And I always will be waiting for you  
And I know that you will never see thatI can't break away from these chains to my heart  
The further you push me the closer you are  
Maybe I should try to let go  
Maybe I should try to walk away  
There's nothing left to sayYou'll be waiting for the rest of your life  
Just so you can finally miss him  
These words don't mean a thing  
But I'll say them anyway, anyway, yeahI can't break away from these chains to my heart  
The further you push me the closer you are  
Maybe I should try to let go  
Maybe I should try to walk away  
There's nothing left to say butI can't break away from these chains to my heart  
The further you push me the closer you are  
Maybe I should try to let go  
Maybe I should try to walk away  
There's nothing left to say, yeah, yeah  
'Cause I can't break away
