Keshia Chante

Uh Uh Uh
Uh Uh Uh
Uh Uh Uh
Uh Uh Uh
Too many times unsatisfied
Trying to find the right guy
Now its too good to be true
Had to resort to a lonely life
too many single nights
too busy even to choose
the only thing that mattered to me was
that i had it do me
and get where i had to get to
its funny cause
i ain't even want you but
you made me want you and
one and one became two
[CHORUS]You, You're the one I wanna be around
When I'm doin' what I'm doin'
hope you're doin' it too.
I'm Lovin' what you give Me
And I Love it when you kiss me
I don't want nobody with me
But you too.
Knowing that the one you're in love with
feels the same way about you too..
I'm givin' all my love to you
You get the best i have to give
Boy its me and you i live
You know that i want you that much
You and I are unbreakable

No matter what the haters do
I'm trying to tell you I'm stuck
(You make me love you)
Boy there's no wonder
Cause you do the crazy things you do
And I'm glad you're around when it gets lonely baby
There's no me without you!

[REPEAT CHORUS]
The way you touch me
(boy the way you touch me)
Makes me feel so nice
But boy the way i need you
(boy the way i need you)
Right here by my side
Cause can't nobody else do it like (you you you)
The only way (i want you to)
i know what we got is (true true true)
So im giving all my love to you
[REPEAT CHORUS]
Cause I aint even want you but you made me want you and one and one became
Cause I aint even want you but you and me want you and one and one became
Cause I aint even want you but you made me want you and
Cause I aint even want you but you made me want you and
Cause I aint even want you but you made me want you and
So Im giving all my love to you you you (giving all my love)
[REPEAT CHORUS]You You You
Uh Uh Uh
You're the one for me im the one for you
