On the Road

Tom Vek

You said, I was the backseat driver
You said, I was the backseat driver
You said, I was the backseat driver
You said, I was the backseatYou said, I was the road map reader
You said, I was the road map reader
You said, I was the road map reader
You said, I was the road mapYou said, I was the driving license
You said, I was the driving license
You said, I was the driving license
You said, I was the driving licenseOn the road, on the road, on the road
On the road, on the road, on the road
On the road, on the road, on the roadYou said, I was the hand break
You said, I was the hand break
You said, I was the hand break
You said, I was the hand breakYou said, I was the glove compartment
You said, I was the glove compartment
You said, I was the glove compartment
You said, I was the glove compartmentOn the road, on the road, on the road
On the road, on the road, on the road
On the road, on the road, on the road
...
