

# On the Road

Tom Vek

You said, I was the backseat driver  
You said, I was the backseat driver  
You said, I was the backseat driver  
You said, I was the backseat You said, I was the road map reader  
You said, I was the road map reader  
You said, I was the road map reader  
You said, I was the road map You said, I was the driving license  
You said, I was the driving license  
You said, I was the driving license  
You said, I was the driving license On the road, on the road, on the road  
On the road, on the road, on the road  
On the road, on the road, on the road You said, I was the hand break  
You said, I was the hand break  
You said, I was the hand break  
You said, I was the hand break You said, I was the glove compartment  
You said, I was the glove compartment  
You said, I was the glove compartment  
You said, I was the glove compartment On the road, on the road, on the road  
On the road, on the road, on the road  
On the road, on the road, on the road
