

# SOS [Let The Music Play]

Jordin Sparks

S.O.S.

S.O.S.

What's up girlfriend  
Somethings goin' on  
You got a look about you  
Tell me what's wrong  
(Is that your) boyfriend?  
Handsome with that girl on the floor  
We gotta dance now  
Time to show our weapons of choice

S.O.S

Is all I need to send  
Just a little text  
I'm calling all the girls  
F.Y.I.  
You know it's not the end  
Don't take it lying down  
No crying now it's your world

Let the music play  
You won't get away  
Just get the groove  
And then he'll come back to you again  
(Let it play!)  
Let the music play  
He won't get away  
This groove he can't ignore  
He won't leave you anymore  
(Let it play!)

S.O.S.

S.O.S

S.O.S.

That crazy chick  
Don't know who she's messin' with  
Look in her eyes  
She's mentally undressing now

(Now listen) girlfriend  
Let's step back right now  
Better get your hands off  
(Yeah) 'cos we' about to get down

S.O.S.  
I'm calling out again  
Just a little text  
And you're surrounded by your girls  
F.Y.I. know how it's gonna end  
Wont take it lying down  
No crying now it's your world

Let the music play  
You wont get away  
Just get the groove  
And then he'll come back to you again  
(Let it play!)  
Let the music play  
He won't get away  
This groove he can't ignore  
He won't leave you anymore

Let the music play  
You won't get away  
Just get the groove (s.o.s)  
And then he'll come back to you again  
(Let it play!)  
Let the music play  
He won't get away  
This groove he can't ignore (s.o.s)  
He won't leave you anymore  
(Let it play!)

Get it on, no one stands a chance  
Can't get enough and when we start to dance  
Come with me now  
Gonna shake it down (s.o.s)  
Just blow it up  
Gonna hit the ground  
(Hit the ground!)  
Get it on no one stands a chance  
Can't get enough (oh whoa)  
And when we start to dance  
Come with me now

Gonna shake it down (s.o.s)

Just blow it up

Gonna hit the ground

(Hit the ground!)

Let the music play

You won't get away

Just get the groove (s.o.s)

And then he'll come back to you again (he'll come back to you oh whoa)

Let the music play

He won't get away (get away)

This groove he can't ignore (s.o.s)

He won't leave you anymore

(Let it play!)

Let the music play

You won't get away (s.o.s)

Just get the groove

And then he'll come back to you again

(Let it play!)

Let the music play

He won't get away (s.o.s)

This groove he can't ignore

He won't leave you anymore

(Let it play!)

Let the music play

You won't get away (s.o.s)

Just get the groove

And then he'll come back to you again

(No no no)

Let the music play

He won't get away (s.o.s)

This groove he can't ignore

He won't leave you anymore

(Let it play!)
