

Mental Picture

[Jon Secada](#)

Baby, I've been avoiding things I'm missing
Then you came into my life a brand new flower, baby
A reminder of what happiness is like On the other side
(Why can't I feel?)
I'm saying my blind side And if a mental picture's all I've got to go on
For a while or more
Girl, you know I'll always think of you, think of you
Yes, if a mental picture's all I've got to go on
I know you're a picture to remember Time was of the essence
And as usual the day turns into minutes
Sharing love and tenderness
That's the nerve you struck in me that sent a signal To the other side
(Girl, I don't know)
I'm saying my blind side And if a mental picture 's all I've got to go on
For a while or more
Girl, you know I'll always think of you, think of you
And if a mental picture's all I've got to go on
I know you're a picture to remember, remember Take me to the other side
(Why can't I feel?)
Out of my blind side And oh, if a mental picture's all I've, all I've got to go on, all I've got to go on
For a while or more
Girl you know, I'll always think of you, think of you
Yes, if a mental picture's all I've got to go on
I know you're a picture to remember, remember
