Fear of Death

Datarock

Im afraid to die
I think about it all the time
It wont go away
It haunts me
I cant get it off my mind
What can I do?
Its just there
Thats why I was so quick to notice
Mr. Grey add in the tabloid I was reading aloud
The headline hit home
Fear Of Death, it saidYoure disappointed, I can tell
At some level, everyone fears death
I fear it right up front
I dont know how or why it happens
But I cant be the only oneNo I dont wanna leave you
And I dont wanna deceive you
I am all yours
And I never I never intended
For it all to be ended
I appalled, stalled and offended
Now Im all yours
And forever and ever and ever
And forever and evermoreI do wanna die first
But that doesnt mean Im not afraid
Im terribly afraid
Im afraid all the time
What if death is nothing but sound
Electrical noise, niform, white
Sometimes it sweeps over me
Sometimes it insinuates itself into my mind little by little
I try not to talk to it
Not now, Death...No I dont wanna leave you
And I dont wanna deceive you
I am all yours
And I never I never intendedFor it all to be ended
I appalled, stalled and offended
Now Im all yours
And forever and ever and ever
And forever and ever and ever

And forever and ever and ever
And forever and evermore
