

# Lost at Sea

## In This Moment

My beautiful liar  
Why are you crying  
On your knees  
You've crucified yourself  
And now denial is rising...

Why...? Why...?  
So tell me...

So tell me hooow?  
Did you lose yourself at sea  
Drifting within  
So tell me whyyy?  
Did you cast yourself away?  
It's such a sweet addiction  
You should celebrate

My beautiful liar  
You are drowning  
In your fear  
You're cutting into me  
You think if I bleed  
It can save you...

Why...? Why...?  
So tell me...

So tell me... hooow?  
Did you lose yourself at sea  
Drifting within  
So tell me whyyy??  
Did you cast yourself away?  
It's such a sweet addiction!  
You should celebrate

And you know if I could  
I'd take your pain  
But will you turn and  
face your diseaaasee!

So tell me... how?  
Did you lose yourself at sea...?  
Drifting within...  
So tell... me why?  
Did you cast yourself away?!  
It's such a sweet addiction!!  
You should celebrate...

So tell me why...?!?  
You should celebrate...  
So tell me why...?!?  
You should celebrate...
