

Six Different Ways (Fitz / F2 Studios Demo 2/85)

The Cure

This is stranger than I thought
Six different ways inside my heart
And every one I'll keep tonight
Six different ways go deep inside I'll tell them anything at all
I know I'll give them more and more I'll tell them anything at all
I know I'll give the world and more
They think I'm on my hands and head
This time they're much too slow Six sides to every lie I say
It's that American voice again
"It was never quite like this before
Not one of you is the same" This is stranger than I ever thought
Six different ways inside my heart
And everyone I'll keep tonight
Six different ways go deep inside I'll tell them anything at all
I know I'll give the world and more
They think I'm on my hands and head
This time they're much too slow Six sides to every lie I say
It's that American voice again
"It was never quite like this before
Not one of you is the same"
