Get the Party Started

KIDZ BOP Kids

I'm comin' up so you better get this party started
I'm comin' up so you better get this party startedGet this party started on a Saturday night
Everybody's waitin' for me to arrive

Sendin' out the message to all of my friends

We'll be lookin' flashy in my Mercedes BenzI got lots of style, got my gold diamond rings I can go for miles if you know what I meanI'm comin' up so you better get this party started I'm comin' up so you better get this party startedPumpin up the volume, breakin' down to the beat Cruisin' through the west side, we'll be checkin' the scene

Boulevard is freakin' as I'm comin' up fast

I'll be burnin' rubber, you'll be watchin' me passPull up to the bumper, get out of the car License plate says Stunner No.1 SuperstarI'm comin' up so you better get this party started

I'm comin' up so you better get this party started

Get this party startedMakin' my connection as I enter the room

Everybody's chillin' as I set up the groove

Pumpin' up the volume with this brand new beat

Everybody's dancin' and they're dancin' for meI'm your operator you can call anytime
I'll be your connection to the party lineI'm comin' up so you better get this party started
I'm comin' up so you better get this party startedI'm comin' up so you better get this party started
I'm comin' up so you better get this party started
I'm comin' up so you better get this party started

Get this party started right now
