

Let It Go

Def Leppard

Yeah
Cool woman, cool eyes, got me hypnotized
So head down, get a rhythm
Stop your stalling and your bitching Rock steady, we're still shaking
I'm ready for the taking
So make your move, you might be
Get ready for the big scene (Let it rock)
Yeah
(Let it roll)
Let it
(Let it go)
Let it go You gotta
(Let it rock)
C'mon
(Let it roll)
Yeah just let it go Slow down, hold on
You're too fast, you're too strong
Take it easy, take it slow
Make it last, don't let go A warm body is one way
You're not leaving, c'mon stay
So get down on your knees
And let me know you're here to please (Let it rock)
Yeah
(Let it roll)
Let it
(Let it go)
Let it go You gotta
(Let it rock)
C'mon
(Let it roll)
Yeah just let it go Let it go
Let it go
Whoah Cool woman, cool eyes, got me hypnotized
Slow down, hold on
You're too fast, you're too strong
I need a woman, I want her to love
A wound up woman
And you do what I want, what I want Slow down, hold on
You're much too fast, you're much too strong

Take it slow, make it last
Take it easy, not too fast
And don't let go
No! And rock steady, we're still shaking
But I'm ready for the taking
So make your move, you might be
And get a-ready for the big scene
Yeah (Let it rock)
Let it
(Let it roll)
Let it
(Let it go)
Let it Let it
(Let it rock)
Let it
(Let it roll)
Let it
(Let it go)
Let it go (Let it rock)
Yeah
(Let it roll)
Let it
(Let it go)
Let it go You gotta
(Let it rock)
C'mon
(Let it roll)
Yeah
(Let it go)
Oh yeah
Oh!
