

# Steven

## Alice Cooper

I don't want to see you go  
I don't even want to be there  
I will cover up my eyes  
And pray it goes away You've only lived a minute of your life  
I must be dreaming, please stop screaming I don't like to hear you cry  
You just don't know how deep that cuts me  
So I will cover up my eyes  
And it will go away You've only lived a minute of your life  
I must be dreaming, please stop screaming Steven, Steven, I hear my name  
Steven, is someone calling me?  
I hear my name! Steven  
That icy breath that whispers screams of pain I don't want to feel you die  
But if that's the way that God has planned you  
I'll put pennies on your eyes  
And it will go away, see? You've only lived a minute of your life  
I must be dreaming (Steven)  
Is someone calling me? No  
(Steven)  
I think I hear a voice, it's outside the door Steven, I hear my name  
Steven, is someone calling me?  
I hear my name Steven, what do you want?  
Steven, what do you want?  
What do you want? What do you want?  
What do you want? Steven, Steven, Steven  
I hear my name
