Run

Lighthouse Family

Got a picture of a glorious day
A sunny afternoon somewhere with a view
And I don't care what it's all about
As long as I'm with youAnd I, I wanna run away with you
I, I wanna run away with youWanna get a car, just drive away
Looking at the view and listening to tunes
And I don't care what we talk about
As long as I'm with youAnd I, I wanna run away with you
I, I wanna run away with youAnd I, I wanna run away with you
I, I wanna run away with youI, I wanna run away with you
I, I wanna run away with you, with youI, I wanna run away with you
I, I wanna run
