The Time Of Your Life

Randy Newman

Standing there on a road that leads to anywhere
Like a child left in the wilderness, standing there penniless
Wanting to be the best
Here's a place where life runs at a different pace
Where love is just convenient, none are obedient
And we are subservient
Look at me, I'm a girl that some may preconceive
Why do they try and generalize? Why are they antagonizing me?
But something I can't control
That I wantcha
You know I'll never stop 'til I've gotcha
You'll never be quite the same when I rock ya
I'm not the kind of girl that you thought I was
You'll have a good time
'Cause I wantcha
I'm breaking down the walls 'till I have you, feel you
Show you the time of your life
Here and I wonder how we've come this far
In a world that does not recognize
Women are victimized
What does that symbolize?
Why do I want the things I usually criticize?
It may be self destructiveness
Or maybe it's emptiness inside
But something I can't control
That I wantcha
You know I'll never stop 'til I've gotcha
You'll never be quite the same when I rock ya

I'm not the kind of girl that you thought I was
You'll have a good time
'Cause I wantcha
I'm breaking down the walls
'Til I have you, feel you
You'll have a good time
It's a lonely road and no one knows the way that I feel
I'm not giving up now
I'll never try to justify, they'll never understand
You'll be a happy man

You'll have the time of your life
It's something, it's something
It's something that I can't control
You know I'll never stop 'til I've gotcha
You'll never be quite the same when I rock ya
I'm not the kind of girl that you thought I was
You'll have a good time
'Cause I wantcha
I'm breaking down the walls
'Til I have you, feel you
Show you the time of your life
The time of your life
The time of your life
I'll show you the time of your life
I'll let you have the time of your life
The time of your life
I'll let you have the time of your life
