Liquid Spirit

Gregory Porter

Un re-route the rivers
Let the dammed water be
There's some people down the way that's thirsty
So let the liquid spirit freeThe people are thirsty
'Cause of man's unnatural hand
Watch what happens when the people catch wind
When the water hits the banks of that hard dry land
Clap your hands now
Go 'head and clap your hands now
Clap your hands now
Go 'head and clap your hands no, hmmGet ready for the wave
It might strike like the final flood
The people haven't drank is so long
The water won't even make mudAfter it comes, it might come with a steady flow
Grab the roots of the tree
Down by the river, fill your cup when your spirit's lowClap your hands now
Go 'head and clap your hands now
Clap your hands now
Clap your hands nowDip down and take a drank
And fill your water tank
Dip down and take a drank
And fill your water tankUn re-route the rivers
Let the dammed water be
There's some people down the way that's thirsty
Let the liquid spirits freeThe folk are thirsty
Because of man's unnatural hand
Watch what happens when the people catch wind
Of the water hitting banks of hard dry landClap your hands now
Clap your hands now
Go 'head and clap your hands now
Clap your hands nowHmmGet down and take a drink
And fill your water tank
Dip down and take a drink
And fill your water tankLiquid spirit
Liquid spirit
Liquid spirit
Liquid spiritClap your hands now
Liquid spirit
